Mission Statement

Our mission is to provide quality security services to our clients. Which will consistently exceed client's expectations and builds a long-term relationship with our clients.

Counter Security Services Ltd has committed its energies to a policy of teamwork, reciprocal understanding and growth in the long-term business relationships with our customers and employees alike. We look forward to the future with great confidence hoping to win over new clients. To achieve this mission,

- Counter Security Services Limited will recruit qualified managerial personnel. Development of staff and ensuring that all employees are trained in accordance with SIA standards and vetted as BS7858
- We are expanding our marketing to get new clients. We will adopt modern technologies, which are useful and advance our goals.
- Continual improvement within our quality management system and to provide the necessary working environment, training and resources, to ensure efficient and safe working practices essential to improve the company's image and more importantly, to retain and improve its position in its relevant market.
- We are developing a communication with our clients and staff to ensure we get things right first time, every time.

Rendering prompt response, efficient and cost-effective service.

As a Director I will ensure those that operate within the business understand this statement and how they contribute to its effective implementation.
