Implementation

Purpose

To ensure compliance with COUNTER SECURITY SERVICES LIMITED policies and regulatory requirements relating to the reporting, investigation and correction of incidents.

To collect accurate data for incident and injury prevention.

Scope

The following procedure applies to incidents related to any employee, contractor, student or visitor of any COUNTER SECURITY SERVICES LIMITED site/Location:

- whilst present in any building or facility or on any ground owned, occupied or managed by the COUNTER SECURITY SERVICES LIMITED ; or
- in the course of, or as a result of, any occupational, educational, commercial, or COUNTER SECURITY SERVICES LIMITED -endorsed activity, whatever its location.

Definitions

Incident: means any unplanned event within the scope of this procedure that causes, or has the potential to cause, an injury or illness and/or damage to equipment, buildings, plant or the natural environment. Incidents range from near-miss incidents to serious incidents and emergencies.

Serious Incident: means an incident which results in:

- the death of any person; or
- a person requiring medical treatment within 48 hours of being exposed to a substance; or
- a person requiring immediate hospital treatment as an in-patient in a hospital; or

COUNTER SECURITY SERVICES LIMITED

INCIDENT REPORTING PROCEDURE

COUNTER SECURITY SERVICES LIMITED Contact: means any employee of the COUNTER SECURITY SERVICES LIMITED who organises or supervises the presence of contractors or visitors on COUNTER SECURITY SERVICES LIMITED grounds.

Actions

General Incident Reporting Requirements

Employees, students, contractors and visitors must report all incidents (as defined) as soon as possible:

- employees must report incidents to their Supervisor/Manager and Health and Safety Representative;
- contractors and visitors must report them to their COUNTER SECURITY SERVICES LIMITED Contact; and
- any members of the public (Must at all times protect the public)

Supervisors, Managers, COUNTER SECURITY SERVICES LIMITED Contacts, and Employee's whom an incident has been reported must follow the instructions shown in the following sub-sections.

Serious Incidents

- During business hours, immediately contact the on duty manager
- after hours or if nobody within the duty manager can be contacted, every effort should be made to contact the Director
- send a completed *Injury Report* to the duty manager within 24 hours of the incident.

All Injuries and Illnesses other than Very Minor

- Ensure that the injured person has been cared for in accordance with QMS
- advise a member of the *Duty manager* within one working day preferably by faxing Part 1 of the *Injury Report* to head office of the basic details of the incident; and
- ensure that an *Injury Report* is completed, signed and forwarded to the *Duty manager* within five working days of the initial report. (Note: the original, hard-copy report must be sent with all required signatures. Unsigned documents, copies and emailed attachments are not acceptable.)
